

INVIVO SAUVIGNON BLANC 2022

Founded by two Kiwi wine entrepreneurs in 2008 (the two mad fellas Tim and Rob!) Invivo is one of New Zealand's leading producers and our mission is to bring people together so great things can happen.

We have a down to earth approach and make products that our mates would drink and talk about it the same way – honest, down to earth and no BS!

We run two local wineries and manage over 400 hectares in leased and grower vineyards in Marlborough, Hawkes Bay, Gisborne, and Central Otago.

Welcome to the first vintage of our new Invivo label, a classy refresh highlighting the Invivo star – four arrows coming together representing our founders and bringing people together so great things can happen!

TASTING NOTE:

Our 14th vintage of Sauvignon Blanc – previously awarded World's Best Sauvignon Blanc Trophy (IWSC Asia), and consistently awarded 90+ points, this wine is vibrant aromas of limes and ripe rockmelon with a hint of Feijoa. The palate is round and full with wonderfully balanced acidity and a moreish finish.

Brilliantly pure and immediately appealing with green rockmelon, passionfruit, kaffir lime and white floral aromas, it's concentrated and powerfully expressed on the palate with excellent vibrancy and persistency. Wonderfully composed and delectably appealing.
