

INVIVO MICHELLE'S PINOT NOIR 2020

Founded by two Kiwi wine entrepreneurs in 2008 (the two mad fellas Tim and Rob!) Invivo is one of New Zealand's leading producers and our mission is to bring people together so great things can happen.

We have a down to earth approach and make products that our mates would drink and talk about it the same way – honest, down to earth and no BS!

We run two local wineries and manage over 400 hectares in leased and grower vineyards in Marlborough, Hawkes Bay, Gisborne, and Central Otago.

Welcome to the second vintage of our new Invivo label, a classy refresh highlighting the Invivo star – four arrows coming together representing our founders and bringing people together so great things can happen!

TASTING NOTE:

The nose offers heady scents of blue and blackberries with undertones of plum compote and a hint of espresso. The palate delivers all of this and more in a deeply concentrated wine with layers of tightly held flavour. The mouthfeel is full but well focussed with a bright natural acidity – also responsible for its intense purple hue. The 2020 Michelle Central Otago Pinot Noir is a powerful wine that will yield great enjoyment over the next 12-15 years.

REGION	New Zealand	BRIX AT HARVEST	25.1 - 26.1
VINEYARDS	Legends Terrace Bannockburn, Gibbston Valley	CELLARING	1–14 years
VARIETY (%)	100% Pinot Noir	HARVEST DATE	14 April - 4th May 2019

ANALYSIS:

RS	<1g/L	pH	3.2
TA	5.6	ALCOHOL %	14.5

VEGAN FRIENDLY:

Although our wines are not certified as vegan, we do consider them to be very vegan friendly as no animal products are used in their production.

From NZ's most innovative winery, the fellas behind the world's first winery airline and the infamous global shipping protest!
