

# INVIVO PINOT GRIS 2022

Founded by two Kiwi wine entrepreneurs in 2008 (the two mad fellas Tim and Rob!) Invivo is one of New Zealand's leading producers and our mission is to bring people together so great things can happen.

We have a down to earth approach and make products that our mates would drink and talk about it the same way – honest, down to earth and no BS!

We run two local wineries and manage over 400 hectares in leased and grower vineyards in Marlborough, Hawkes Bay, Gisborne, and Central Otago.

Welcome to the first vintage of our new Invivo label, a classy refresh highlighting the Invivo star – four arrows coming together representing our founders and bringing people together so great things can happen!

## TASTING NOTE:

Our 13th vintage of Marlborough Pinot Gris! The nose offers perfume of pears, quince and subtle candied fruit. The palate backs this up and sweet pear/fig dominating the fruit flavours and soft texture. The wine is silky and deceptively full bodied showing great balance and bold varietal character.

## ANALYSIS:

RS	5	pH	3.3
TA	7.5	ALCOHOL %	12.5

Bright and elegantly fragrant, the wine shows white flesh stone fruit, Asian pear and floral aromas, leading to a delightfully refreshing palate that's juicy and lingering. Beautifully poised and finely flowing to a lengthy supple finish. At its best: now to 2025.

From NZ's most innovative winery, the fellas behind the world's first winery airline and the infamous global shipping protest!
