### Harvest:

2022 saw a larger than normal crop harvest and great quality grapes throughout Marlborough. The weather conditions allowed the vines to ripen with no pressure of disease, maintaining intense and delicious flavours.

### Craft:

The grapes were crushed and pressed. Fermentation was slow and cool to preserve thiols and freshness of the fruit and express the intense character of the grapes.

### Colour:

Pale straw with lemon rim.

### Aroma:

Lifted aromas of tropical fruits, passionfruit, citrus and freshly cut green herbs.

### Taste:

The palate has juicy acidity, with good length and concentration of ripe tropical fruit flavours.
