

Reserve Sauvignon Blanc

2022

LAWSON'S DRY HILLS
— MARLBOROUGH —

95 POINTS

Cameron Douglas MS | camdouglasms.com

September 2022 *Complex, herbaceous, mineral and fruity with some spice highlights from wood and lees. Lovely weight and texture with a light saline effect through the acidity, spice and fresh stone fruit flavours with a tropical fruit twist. Generous and fresh, textured with a satin finish. Great drinking from 2023 through 2026.*
