

# LITTLE BIDDY®

Created in honour of Reefton legend Little Bidby, a pipe-smoking, gin-toting, 4-foot-tall gold prospector. Our search for native botanicals takes us deep into the same West Coast rainforest where Bidby once fossicked for gold, to craft a uniquely New Zealand gin with a pioneer's attitude. Distilled from New Zealand botanicals including native Toatoa, Horopito, Tarata, Kahikatea and Rimu. Little Bidby captures the taste of the West Coast rainforest.

Often described as a sipping gin; so good you can drink it straight; Little Bidby Gin is equally good enjoyed in a cocktail.

**Swannndri**

Like its namesake, Little Bidby® Gin – Classic, is robust and hardworking with a striking aromatic bite. Native Toatoa endures the harshest winter conditions without losing its fresh, vibrant tannic character. Toatoa, Tarata, Horopito, Rimu, and majestic Douglas Fir are foraged locally immediately prior to distillation and vapour infused to create a versatile and easy drinking gin with a complex palette of spiced citrus and warm resin, and a spicy, sweet smooth finish.
