

LITTLE BIDDY®

Created in honour of Reefton legend Little Biddy, a pipe-smoking, gin-toting, 4-foot-tall gold prospector. Our search for native botanicals takes us deep into the same West Coast rainforest where Biddy once fossicked for gold, to craft a uniquely New Zealand gin with a pioneer's attitude. Distilled from New Zealand botanicals including native Toatoa, Horopito, Tarata, Kahikatea and Rimu. Little Biddy captures the taste of the West Coast rainforest.

Often described as a sipping gin; so good you can drink it straight; Little Biddy Gin is equally good enjoyed in a cocktail.

LITTLE BIDDY PINK

Our Little Biddy Gin – Pink is back, and masterfully reformulated using New Zealand Cherries. A bright gin with sweet citrus and subtle floral notes on the nose. A palate of warming spice followed by the complex sweetness and depth of the cherry fruit.

TASTING NOTES:

Subtly sweet and floral, yet complex with a hidden palate of warm West Coast rainforest resin that characterises the Little Biddy® Gin range.
