

LITTLE BIDDY®

Created in honour of Reefton legend Little Biddy, a pipe-smoking, gin-toting, 4-foot-tall gold prospector. Our search for native botanicals takes us deep into the same West Coast rainforest where Biddy once fossicked for gold, to craft a uniquely New Zealand gin with a pioneer's attitude. Distilled from New Zealand botanicals including native Toatoa, Horopito, Tarata, Kahikatea and Rimu. Little Biddy captures the taste of the West Coast rainforest.

Often described as a sipping gin; so good you can drink it straight; Little Biddy Gin is equally good enjoyed in a cocktail.

LITTLE BIDDY SNOW 43% ABV

Little Biddy Gin – Snow uses locally collected fresh snow, native manuka, alpine lavender, fresh peppermint, and lime combine to create a vibrant and refreshing gin. Dense native forests, clean mountain air and cool swift rivers all contribute their own specific notes to this crisp blend. It's like melting snow in your mouth.
