

Introducing Little Biddy Gin – Rose Gold

Proofed to 46% ABV.

TASTING NOTE:

Little Biddy Gin – Rose Gold is a light, bright, yet complex botanical spirit, which evokes memories of flourishing gardens with layers of colour and intricacy.

Caramelised lime offers a subtle sweetness, with floral notes of honeydew melon, lemon drop lollies and hibiscus combined with fresh pine. Rich, earthiness unfolds from fresh walnuts and our malted barley grain spirit.

A balanced gin with citrus, grain and herbaceousness from the unique botanical blend, including freshly foraged Toatoa, Watercress and Kahikatea foraged from the rainforest surrounding our distillery.

Little Biddy Gin – Rose Gold contains 16 botanicals and ingredients: Saffron, Hibiscus, Caramelised Limes, Lemons, Toatoa, Watercress, Kahikatea, Pink Peppercorns, Angelica, Cassia, Coriander, Juniper, Liquorice, Nutmeg, Orris Root and Walnuts.
