A vibrant bouquet with powerful scents of dried cherry and raspberry then a mix of clay mineral, wood spices and dried herb suggestions. Some dark rose and velvet cake ideas then lead to scents of smoky wood spices and moments of bacon oak. Youthful and complex, intriguing and new. Delicious on the palate with an immediate salivating effect, contrasting core of red fruit flavours that mirror the bouquet. Dry, medium weighted with a firm youthful texture from tannins and acidity. Best drinking from 2025 through 2035.
