August 2025

Great colour and intensity with a bouquet suggest place first with a complex earthy seam within the bouquet of ripe berry fruits and spies of barrel and site. Complex and textured, layers of spice and berry fruits, dark cherry and mangosteen berry, strawberry and baking spice. Tannins are ripe and polished, acidity secures the textures and core flavours in place as well as adding a its own texture and appeal. Plenty of length and persistency, a wine ready to drink from 2025 through 2032+.
