

Pinot Noir

2023

91 POINTS

Cameron Douglas MS | camdouglasms.com

August 2025 *A good example of the variety and style with core aromas and flavours of dark cherry skin and fruit spice, plum and a touch of fruit compote then clove and baking spices reflect the use of some French oak and lees contact. A dry wine on the palate with a nice fruit purity framed by light to moderate tannin impacts and acidity for freshness and drive. Balanced, well made and ready to drink in late 2025 through 2028+.*
