December 2022 *Very floral and pretty bouquet with scents of fresh peach and red papaya, some cherry and red apple adding breadth. Crisp and dry with a core of ripe peach and papaya, some red fruit and citrus flavours. A whisper of sptiz is just part of the wine's texture, in fact it highlights fruit very well. Plush, fresh and lengthy, a well made wine with floral, ripe and fruity finish. Best drinking from 2022 through end of summer 2024.*
