

Sauvignon Blanc

2024

93 POINTS

Cameron Douglas MS | camdouglasms.com

August 2025

A delicious wine from start to finish with a fragrant, urgent bouquet of cape gooseberry, bell-pepper and grapefruit, golden kiwifruit and apple, mineral and a light saline quality. ON the palate the flavours reflect the bouquet plus citrus peel and dried herb, there's a backbone of acidity fusing the flavours together adding a crispness and length. Well made with best drinking from 2025 through 2028..
