

Gewürztraminer

2025

90 POINTS

Cameron Douglas MS | camdouglasms.com

February 2026 *Fabulous value and excellent drinking, a wine with a core of ripe white fleshed and tropical fruits, fresh white spices and suggestion of herb. A just dry wine on the palate, satin touches then contrasting acid line frame a fruity and varietal wine with a vibrant texture, lots of freshness and food friendly attributes. Ready to drink from 2026 through 2028+.*
