

Pinot Gris

2025

93 POINTS

Cameron Douglas MS | www.camdouglasms.com

February 2026

A complete wine - aromas and flavours of ripe apples and pears, there's a fine layer of spice with a gentle pepper quality then honeysuckle. A touch of lime-flower and quince adds intrigue and length. The acidity forms the backbone of texture on the palate with a buzz to the freshness. Well made and quite delicious with best drinking from 2026 through 2029.
