November 2024 *Bright, fresh, youthful, fruity and vibrant with a bouquet of red cherries and dark strawberry, a touch of red apple skin and black currant leads aroma package. Equally vibrant and fruit on the palate with contrasting fine tannins and acidity framing the palate nicely. Fresh and new with best drinking from day of purchase through end of summer 2026.*

VERY GOOD TO EXCELLENT

May 2025 *Bold nose, musky perfume, sweeter fruits on offer. Cherry ripe, boiled sweets, a basket of summer berries, like the nose this is quite bold and also bigger boned. There's a zesty undercurrent that keeps this fresh, balancing the rich creaminess. A wee touch of spritz on the palate now, generosity, heaps of user appeal in a glass.*
