October 2022 *Pungent, fruity, herbaceous, varietal and vibrant bouquet. Aromas of fresh herbs and green melon, pineapple skin and passionfruit, apple and white orchard fruits. Equally expressive on the palate with a citrus, acid and herbaceous drive. Flavours of tropical fruits apple and honey dew, melon mix with a crunchy textured acidity leading to a lengthy vibrant finish. best drinking from 2023 through end of summer 2024.*

January 2023 *The 2022 Sauvignon Blanc Main Divide is lively, bright and full of life. It is clean, dry and aromatic, with abounding notes of gooseberry, elderflower and pear. Roundness meets raciness. Enjoy while young for its vibrancy and firmness. Always great value.*
