January 2025 *Partly estate-grown at Waipara, tankfermented and bottled early, the youthful, pale lemon/green 2024 vintage is a highly aromatic wine. Medium-to-full-bodied, it is strongly varietal with punchy, tropical fruit and green capsicum flavours, dry and tangy. Showing good intensity and vigour.*

November 2024 *Fresh and attractively lifted, the bouquet shows grape fruit, Gala apple, lemon zest and jasmine aromas. The palate delivers vibrant fruit intensity, combined with fine texture and juicy acidity, making it flavoursome and delightfully appealing.*

October 2024 *Bright, nicely pungent and fruity with an herbaceous edge lead to flavours of pineapple and a passionfruit, some fresh herbs and baseline of gravelly soil ideas. Holding the wine on the palate reveals a satin texture with contrasting acid line and flavours that reflect the bouquet plus lemon and a touch of cape gooseberry. The acid line has a touch pf natural spritz too adding to the mouthfeel and finish. Well made and ready to drink from 2024 through 2027.*

December 2024 *Bright, even, pale yellow. The nose is full, with elegant aromas of apple, citrus, lemongrass, jasmine and fennel. Medium-bodied, aromas of grapefruit, lemon and apple melded with lemongrass, fennel and jasmine. The fruit shows purity and good weight; a soft palate and zingy acidity flow with chalky minerals and lend a dry finish. This is a clean, fresh Sauvignon Blanc that delivers bright fruit and a mineral texture.*
