

East Meets West Pinot Noir

2023

93 POINTS

October 2024 *Varietal, fruity, taut and dry. Aromas and flavours of spiced red cherries and raspberry, there's red licorice note and fine savoury core. Dry with firm, yet polished tannins, plenty of acidity drives through the fruit flavours and accentuates the tannins. Great phenolics, mouthfeel and finish with a cola quality, velvet touch and lengthy, dry finish. A wine to watch. Best from 2027 through 2035++*

"Attractive florality, flowers & rose petal, hints of tilled earth & brambly herbs, a backdrop of red fruits. Fascinating palate that offers a different feel, youthful tension, a stalky, herbal quality running through the wine (whole bunch?), fine tannins, bright acidity and a sweetly fruited core. Perfume grows on the nose. Wonderfully contemplative with a lightness of being."
