

Sauvignon Blanc

2024

95 POINTS

Cameron Douglas MS | camdouglasms.com

October 2024

A super enticing bouquet of minerality and fruit, lees and variety. Scents and flavours of ripe red apple and lemon, wild gooseberry and peach, echoes of herb and savoury saline orchard fruits. Taut and dry, youthful, salivating and complex. A delicious wine with power and intensity, texture and fruit. The vineyard speaks, the winemaker's signature strong. Best drinking from early 2025 through 2030+.
