

ROSIE'S BLOCK CHARDONNAY 2018

A calm, even, fragrant bouquet of Chardonnay. A mix of ripe yellow fruits layered between scents of oak with cashew and brown spice then ripe grapefruit and apple. Equally calm on the palate, balanced, even and persistent. Flavours of yellow stone fruit and citrus then roasted nut and cream. The weighty creamy texture is not forced yet is also a wine with a youthful medium+ acidity, a new oak moment and a natural complexity bringing all the attributes together. Lengthy finish and well made.

Neudorf have a deserved reputation as being Chardonnay experts, and regularly deliver compelling wines with potential for development. A taut, intense, focused expression of Chardonnay with a mineral core and tight lemon fruit, together with subtle creamy hints, a twist of hazelnut and subtle pineapple exoticism. There's great energy to this wine, which is tightly furled with layers of flavour that emerge in the glass and mouth. A serious, focused effort of real appeal.

Stylish chardonnay with peach, grapefruit, hazelnut, spicy oak and brioche flavours supported by gentle, fruity acidity. A weighty wine with a pleasingly silken texture.

Very pale greenish straw. Good, crisp, exuberantly fruity Chardonnay with sufficient corset and minerality to make it really refreshing yet approachable. Very well done!
