Cameron Douglas MS | camdouglasms.com

August 2022

Youthful, fragrant, delicate and fresh red fruited bouquet with aromas and flavours of light red plum and cherry flesh, a touch of red apple skin and guava. A fine satin texture touches the palate first then flavours of cherry, cranberry and red apple skin follow. Refreshing acid line with a hint of saline adds additional mouthfeel. Balanced, well made and ready to drink from 2022 through end of summer 2024.
