Pure, ripe, fresh, youthful and engaging bouquet. Aromas of fresh ripe and tart cherry flesh, red currant and stone clay soil scents. The oak layers in a judicious amount with scents of sweet spice and light brown baking spice complexities. Firm, youthful, dry and taut as the wine touches the palate. Flavours mirror the bouquet with red berries and cherry flavours. The minerality and spice qualities remain persistent. A delicious wine with a youthful charm and light floral elegant notes. Best drinking from late 2024 through 2029+.
