This is gorgeously styled and immensely appealing on the nose with aromas of dried apricot, honey, orange marmalade, and potpourri. The delicious palate offers excellent weight and creamy texture, splendidly supported by seductive sweetness and bright acidity, making it wonderfully balanced with a multi-layered mouthfeel. At its best: now to 2037.

A wine of character, presence and power. This wine is just so delicious, it's salivating and sweet, silken in texture and vibrantly taut with its acid line. Flavours of apricots and limes, quince and apple, sweet flowers and honeysuckle. A classic wine for Aotearoa New Zealand and Pegasus Bay. Delicious, succulent and new. A wine to enjoy either from day of purchase through 2035+ or ideally from 2029 through 2035+.
