

Vergence White

MK3

92/100 POINTS

December 2023

This is good. The NV Vergence MKIII is super aromatic, which carries through to the mouth. There are rose petals and juniper, white pepper and orange peel, star anise and fennel. It's really good and more rambunctious and forthright than the MKII. There was plenty of flesh and punch in the mouth in this tank sample.

PEGASUS BAY
FINE WAIPARA WINE
