February 2026 *This is sweetly fruited and seductively fragrant, revealing ripe cherry, Black Doris plum, smoked game, thyme, olive, and toasted almond characters with an Asian spice undertone. It's silky smooth and supple in the mouth, offering a beautifully layered mouthfeel backed by finely infused tannins, making it superbly structured with a sustained, complex finish.*

January 2026 *Smoky aromas of fresh and dried strawberries with orange peel follow through to a medium-to full-bodied palate. Lightly dry tannins frame the wine beautifully. So savoury. Solid and structured yet highly approachable at the end.*
