The enticing bouquet showcases aromas of kaffir lime, mango, almond meal, and white flowers. It's wonderfully weighted and focused on the palate, delivering fleshy texture and beautifully pitched acidity, leading to a persistent, exuberant finish. It's powerfully expressed with intensity and vibrancy, while remaining harmonious and elegant, with stunning precision and a great line and length.

Aromas of jasmine, Meyer lemons, green melon and lavender. So fresh and rather delicate. Medium-bodied with crunchy fruit and tangy acidity. Crisp and vivid. 86% sauvignon blanc, 9% semillion and 5% sauvignon gris. Drink or hold. Screw cap.
