

VILLA MARIA
NEW ZEALAND

MARLBOROUGH

Cellar Selection Sauvignon Blanc 2025

Winemakers Comment

Showcasing the pure expression of Marlborough, Cellar Selection Sauvignon Blanc is crafted from vineyards in the region's key subregions: the Awatere and Wairau Valleys. Awatere Valley fruit brings intense aromas of lime, snow peas, and fresh herbs supported by a backbone of zesty acidity, while Wairau Valley fruit contributes punchy passionfruit, ripe citrus characters, and rich texture.

56% Awatere Valley, 44% Wairau Valley

Serving Suggestion

This wine is the perfect accompaniment for fresh seafood, chicken, or a crisp salad.

Season & Viticulture

The 2025 Vintage was characterized by bumper crops and settled weather allowing slow even ripening. This resulted in elegant wines with great purity and freshness.

Winemaking

Once at optimal flavour ripeness, the grapes were harvested and pressed. The juice was settled clear before being inoculated with select yeast strains to enhance the varietal expression. Fermentation was cool and controlled to capture freshness. After a time on lees to allow development of texture and weight, the wine was blended before being gently fined and filtered, ready for bottling.
