

WILD RAIN®

WILD RAIN WEST COAST NEW ZEALAND PREMIUM VODKA

43% ABV

A smooth, clean spirit that captures the sweetness of pure West Coast rain.

The key ingredient in our Wild Rain Vodka begins as ocean mist, a pure source that travels thousands of kilometres across the southern oceans towards New Zealand, untainted by any landmass. Dark clouds rise, cooling and condensing as they collide in full force with the Southern Alps. That wild rain filters down through the mountains, untouched for decades finally emerging as some of the world's purest water.

TASTING NOTES:

Pristinely neutral and pure on the palette. A vodka that sets the stage for crafting creative concoctions.
