BORN WHERE THE WEATHER WRITES ITS OWN RULES

Distilled on the West Coast of New Zealand, Wild Rain Gin is shaped by the rain, the forest and the land. Made in Reefton, where nature sets the pace, its a gin that speaks simply - Smooth, balanced and quietly expressive.

Tasting Notes

A clean, easy-drinking gin with exceptional balance. Subtle earthy tones complement the classic juniper backbone, offering a smooth yet characterful profile. Crisp and refreshing on the palate, it finishes with a gentle warmth and clarity that makes it ideal for sipping neat or in refined mixed serves.
