

# WILD RAIN GIN

**BORN WHERE THE WEATHER WRITE ITS OWN RULES**

---

## **Wild Rain Pink Gin**

Distilled on the West Coast of New Zealand, Wild Rain Gin is shaped by the rain, the forest and the land. Made in Reefton, where nature sets the pace, its a gin that speaks simply - Smooth, balanced and quietly expressive.

## **Tasting Notes**

Bright and clean with pronounced juniper character, this gin delivers a gentle berry sweetness that adds depth and charm. A touch of warming spice emerges mid-palate, rounding out the profile beautifully. The finish is smooth and lingering, leaving a crisp, refined impression ideal for classic or contemporary serves.

## **Serving Suggestion**

Enjoyed with a quality mixer or in your favourite cocktail creation.

**BY REEFTON DISTILLING CO.**
